Form 990, Part III, Line 1 - Organization Mission

iMentor partners with public high schools in low-income communities, where a majority of students will be first-generation college graduates. We build mentoring relationships that empower students to navigate high school, succeed in college and achieve their highest ambitions. Every student in a school is matched with a college-educated mentor who commits to the program for a minimum of three years. Mentors and students build their relationship using the iMentor curriculum, which guides their weekly online communication and monthly in-person meetings. iMentor also provides its curriculum, technology, and best practices to nonprofits nationwide to help them run effective programs in the iMentor model. Since 1999, iMentor has connected more than 29,000 students with mentors in more than 30 communities.

Committee, with assistance from the Chief Talent Officer ("CTO"), Chief Operating Officer ("COO") and the CEO gather current salaries, comparable salaries from like organizations (similar in mission, size, budget, and geographical location) for like position (with similar professional qualifications and job duties), and salary history for the CEO and other highly compensated or key employees under evaluation. The CTO and COO meet with the Personnel Committee to discuss any questions and provide additional information and research as needed to support the evaluation.

The iMentor Personnel Committee obtains and evaluates research and information to make a recommendation to the full Board for the compensation (salary, benefits, any discretionary or performance-based bonus and any other compensation or benefit) of the CEO (and other highly compensated employees or key employees) based on a review of comparability data. For example, the Personnel Committee will secure data that documents compensation levels and benefits for similarly qualified individuals in comparable positions at similar organizations. This data may include the following:

1. Salary and benefit compensation studies by independent sources;
2. Actual written job offers for positions at similar organizations competing for the CEO's services;
3. Documented telephone calls and email communications about similar positions at both nonprofit and for-profit organizations; and
4. Information obtained from the IRS Form 990 filings of similar organizations.

The Personnel Committee makes its recommendation to the Board in an Executive Session. The Personnel Committee then informs the CTO and COO of the Board's compensation decision, which the CTO and COO communicates to the CEO. Any
